Attn: Andy Parker

Dear Mr. Parker:

The following training materials and accredited program submitted to us have been reviewed and approved in accordance with the Michigan Department of Agriculture's (MDA) "Procedures For Approving Food Safety Training Materials and Programs". Specifically:

**Approved Training Materials**

The Thomson Prometric "Certified Professional Food Manager" meets MDA's "Guidelines for Food Safety Training Materials". The training material package consists of:

1. Certified Professional Food Manager course manual, Third Edition, copyright 2005 by, Thomson Prometric
2. CPFM Power Point Training diskette, Third Edition, Copyright 2005 Thomson Prometric

**Accredited Programs**

The accredited food protection manager certification program, used in conjunction with the training materials, is the Thomson Prometric (formerly Experior Assessments) exam, Accredited by Conference for Food Protection (CFP) & (ANSI).

Thank you for submitting the training materials and accredited program information to MDA for approval. Information regarding this approval will be posted on the MDA list of approved Food Safety Training Materials and Programs. You may view the list on our website at: [www.michigan.gov/mda](http://www.michigan.gov/mda)

MDA approval of food safety training material and programs expires three (3) years from the date of original issuance.

Please feel free to contact me at (517)-335-4604, with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Coy".
